

**JUMP****AIM****GLIDE****SLIDE**

Every lifelong athlete has one thing in common: They started their favorite sport one particular day and fell in love with it.

The JAGS program is a chance to try a variety of Olympic Winter Sports for free, on world-class venues with high level coaching.
(The falling in love part is up to you!)

Come to the practice sessions with your JAGS registration, and coaches will introduce you to their sport. If you decide you want to commit to the sport, you can sign up for the rest of the season.
