Questions and Answers

How do I hold a date?

Our Wedding Sales Manager will issue a Letter of Intent once your date has been selected. Once the contract is issued a \$1,500 non-refundable deposit is due and a deposit schedule is calculated, with all monies for the event due 30 days prior to your special day.

What if the weather does not cooperate for my mountaintop ceremony?

We like to think that the sun always shines for Gore Mountain, however we always hold a backup space indoors on the occasion that it does not. We will also try our very best to accommodate minor timeline changes in hopes of getting your 'I dos' overlooking the mountains.

Do you require use of a planner or coordinator?

No, however, we do recommend a day-of coordinator if you have not appointed someone from your wedding party to handle place card, centerpieces, favors, seating charts, and other day-of set up. Please keep in mind that the wedding party is responsible for all set up and tear down of your personal items.

Is there a time limit for the wedding reception?

Our wedding packages are built around a 4-hour timeframe. Additional time can be added to your rental, please ask your sales manager about extending or adding a late night event.

What is the maximum number the venue can hold?

The Tannery Banquet Room can accommodate up to 220 people with a sit-down menu and dance floor. In addition, we have alternate venues that can service 25-300 people.

Would we be able to have a rehearsal dinner, welcome reception, and brunch here?

Yes! We have so many possible locations for each event here and we would be happy to help you find the right one for any type of occasion!

Is there an additional rental fee?

Our wedding packages are inclusive of taxes, service charges, and reception room rentals. Fees for an on-site ceremony, rehearsal dinner, or post-wedding breakfast would be additional.
