

How to Reload Your SKI3 Card with a Season Pass

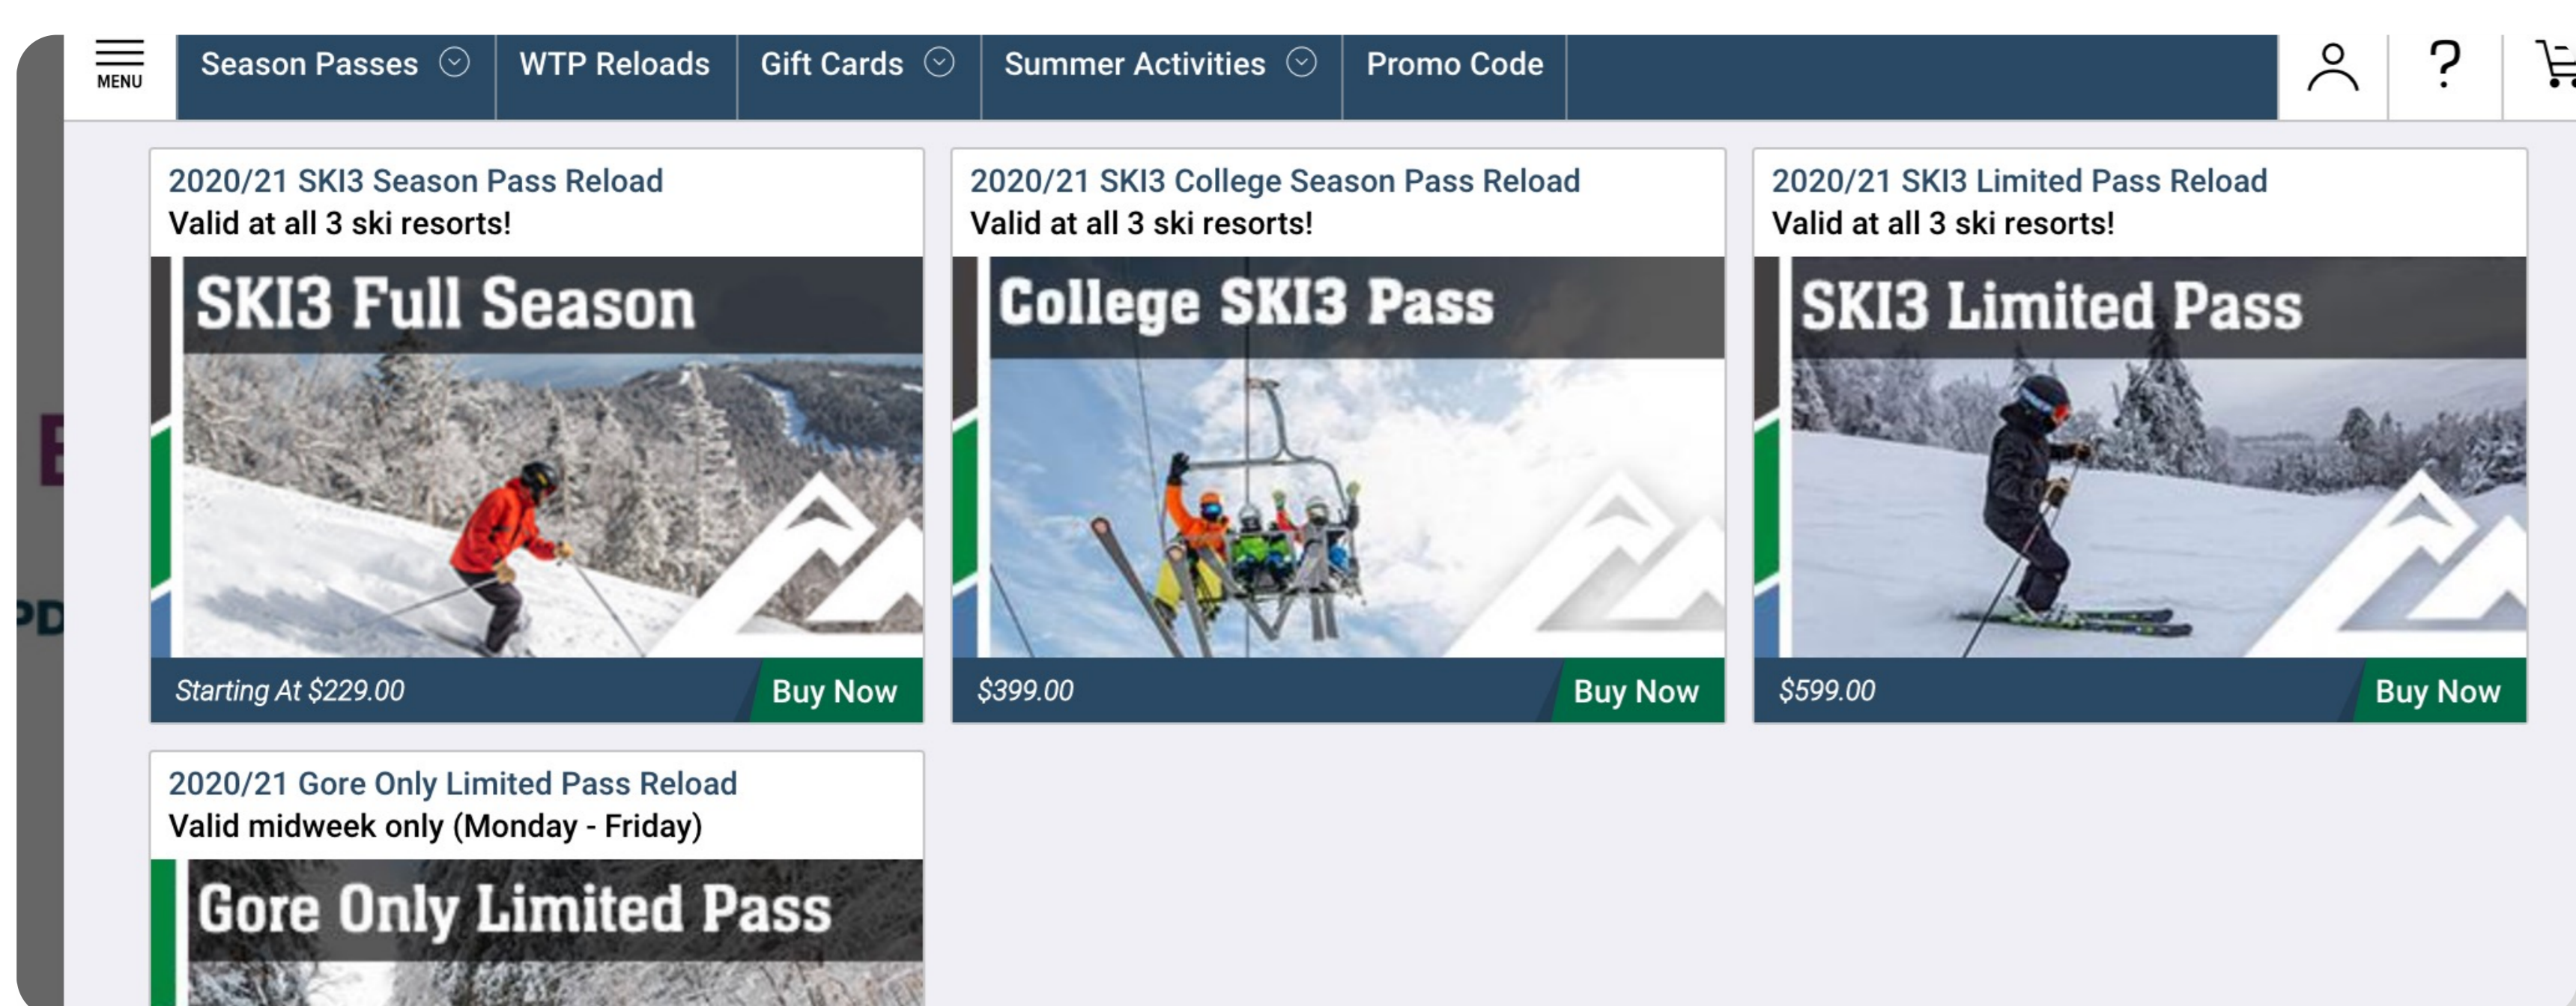

Are you looking to reload your 2020/21 Season Pass online to an existing SKI3 Card? Follow our step-by-step guide below!

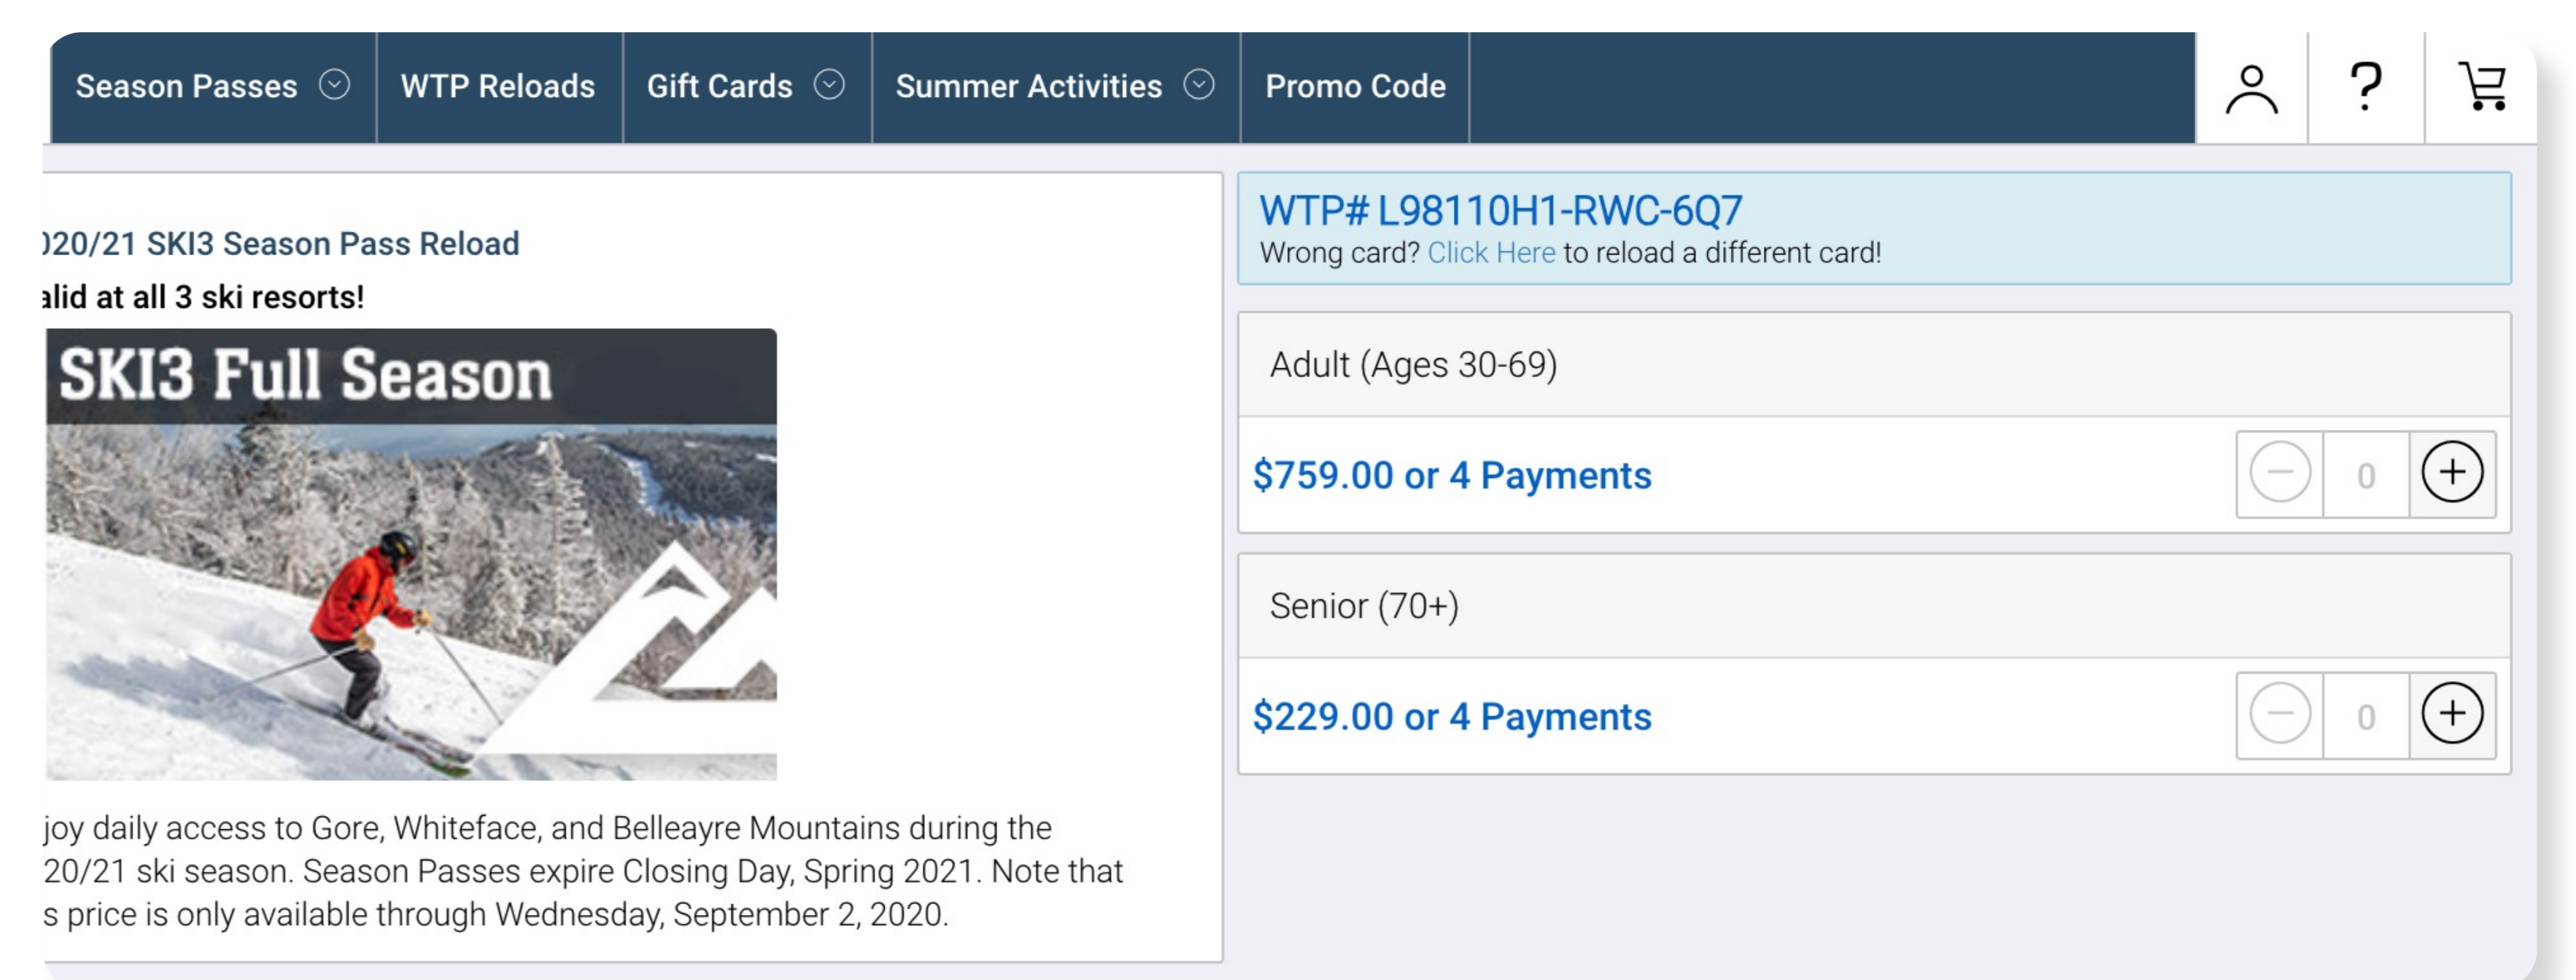

1 Go to the **WTP Reloads** tab in our online store and enter the WTP Number located on the back of your SKI3 Card from last year and select **Continue**.

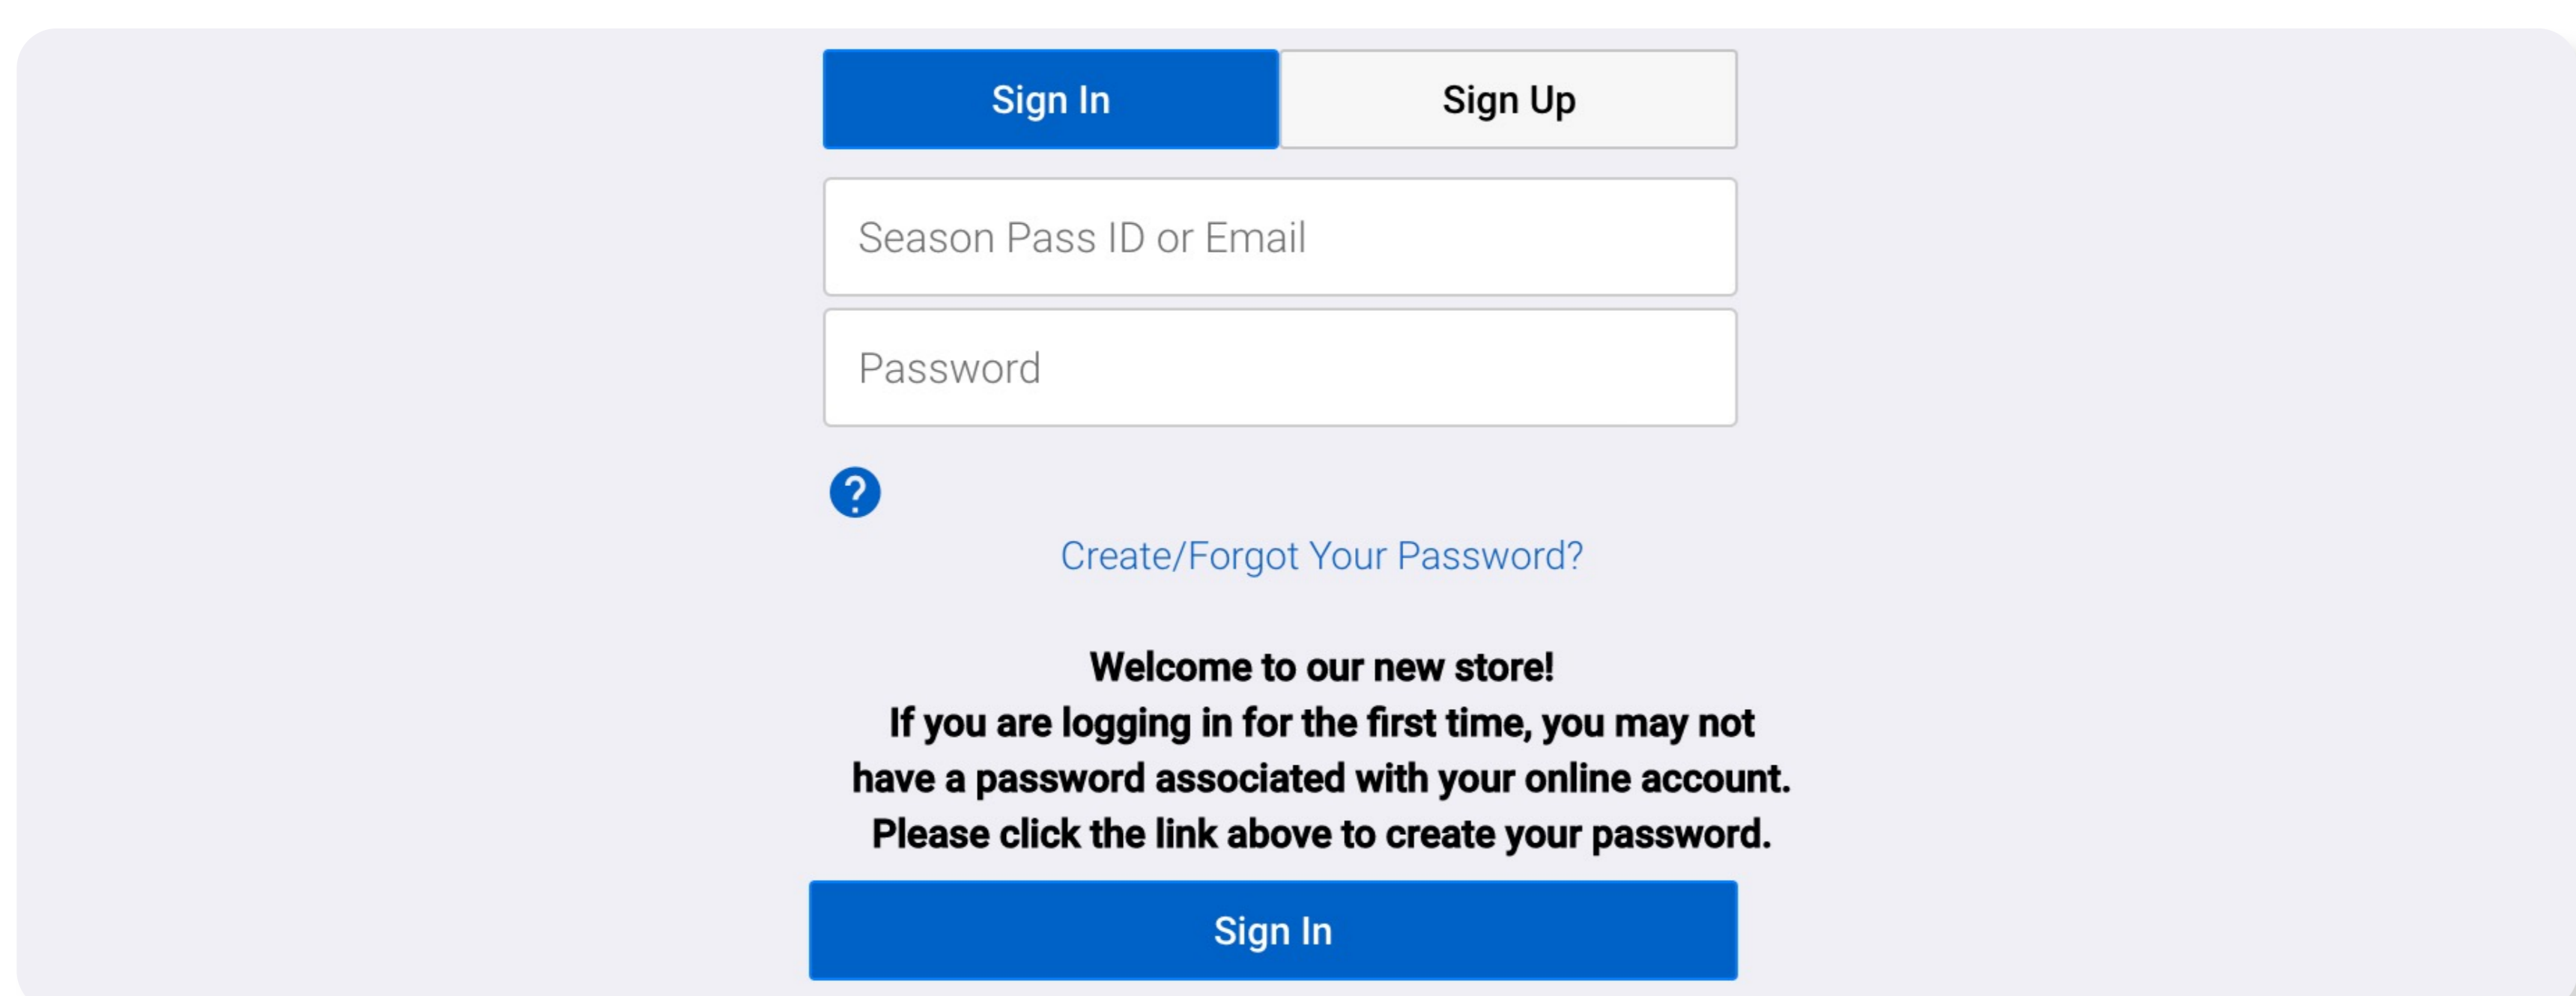

2 Select the **2020/21 SEASON PASSES** box to load all available passes that you can choose from to reload onto your card.

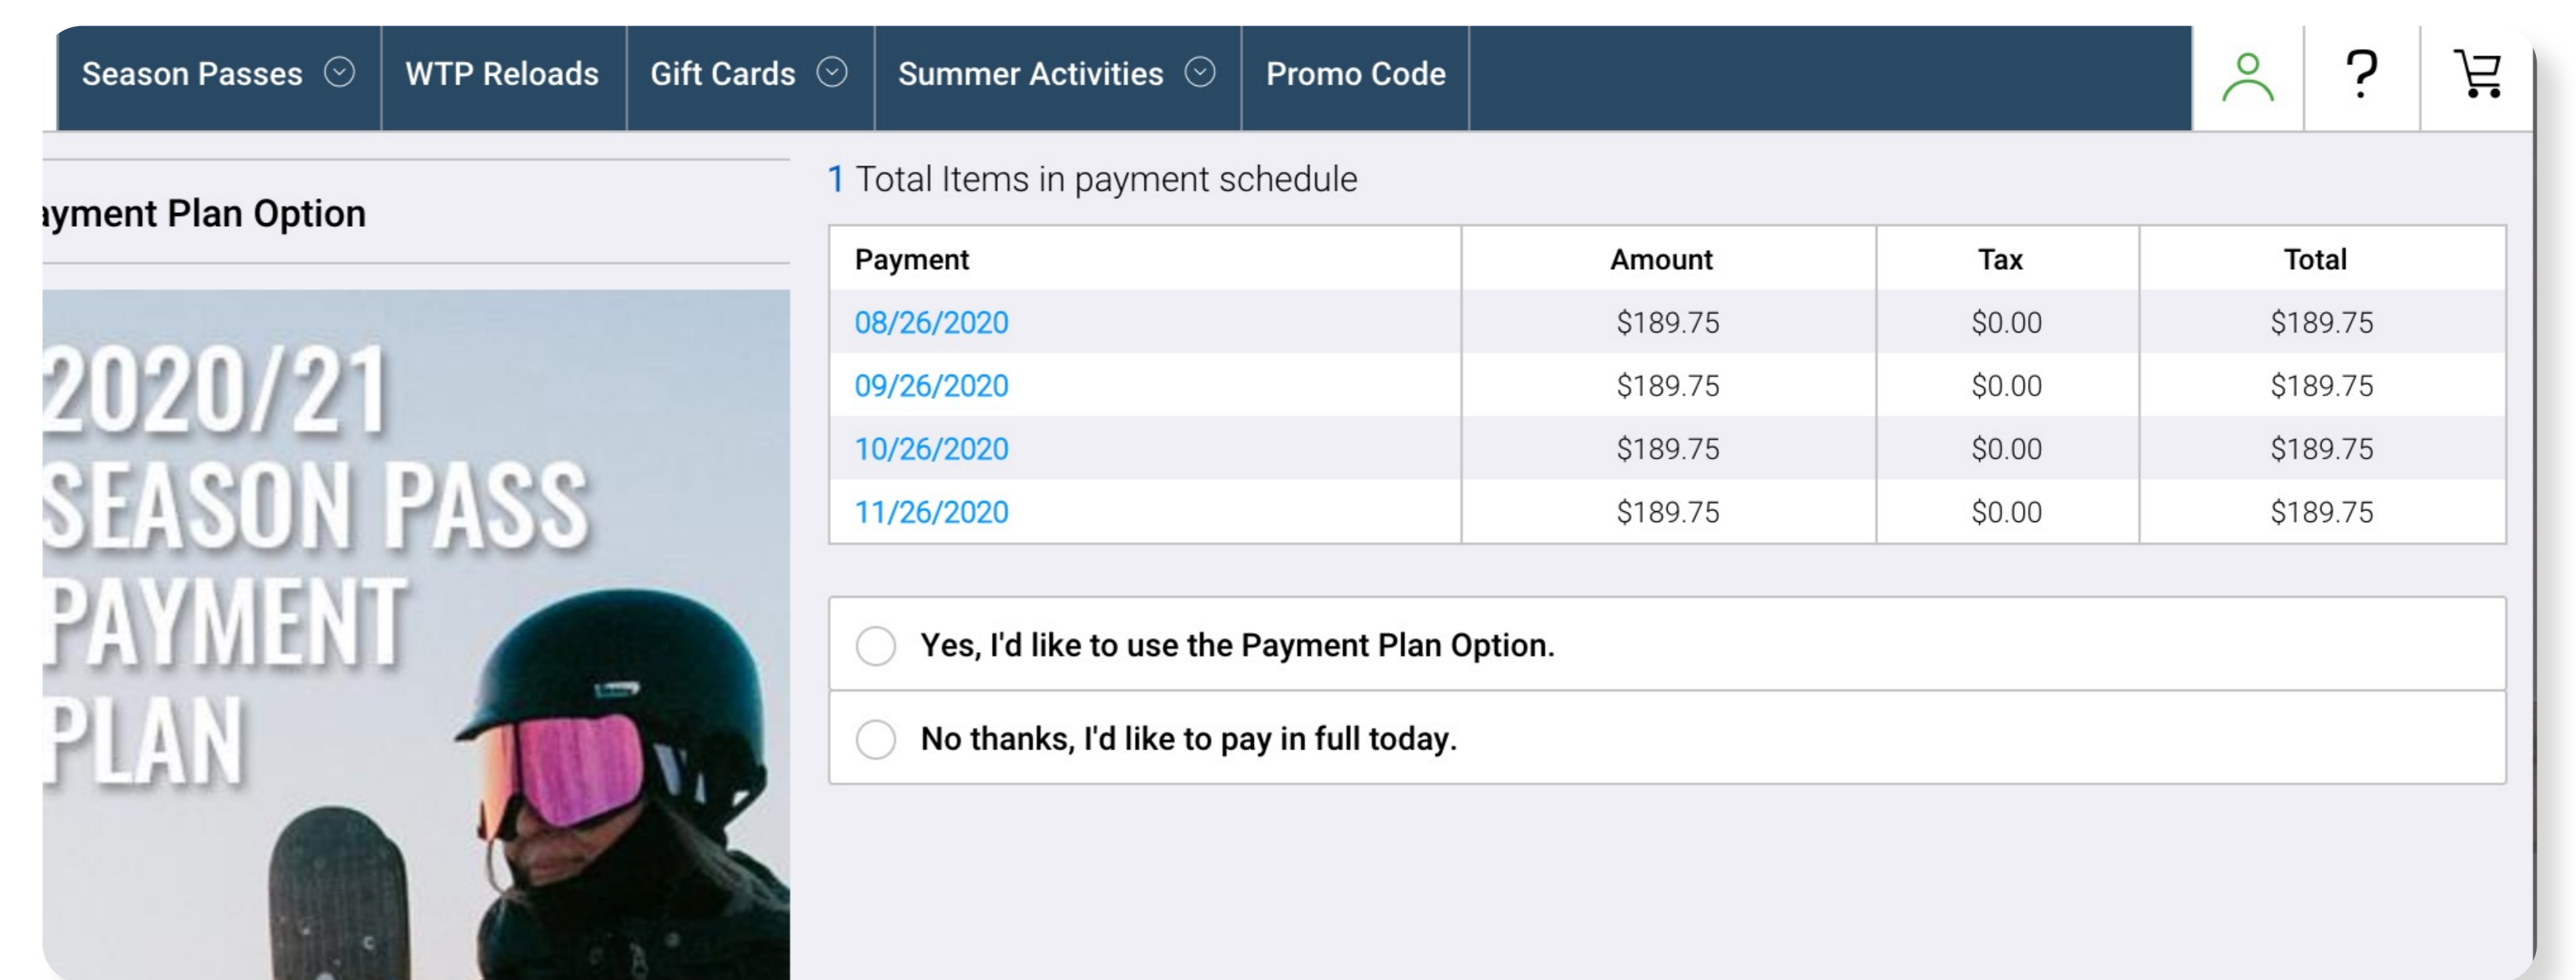

3 Choose from the list of available passes which pass type you are looking to reload onto your card and click **Buy Now**.

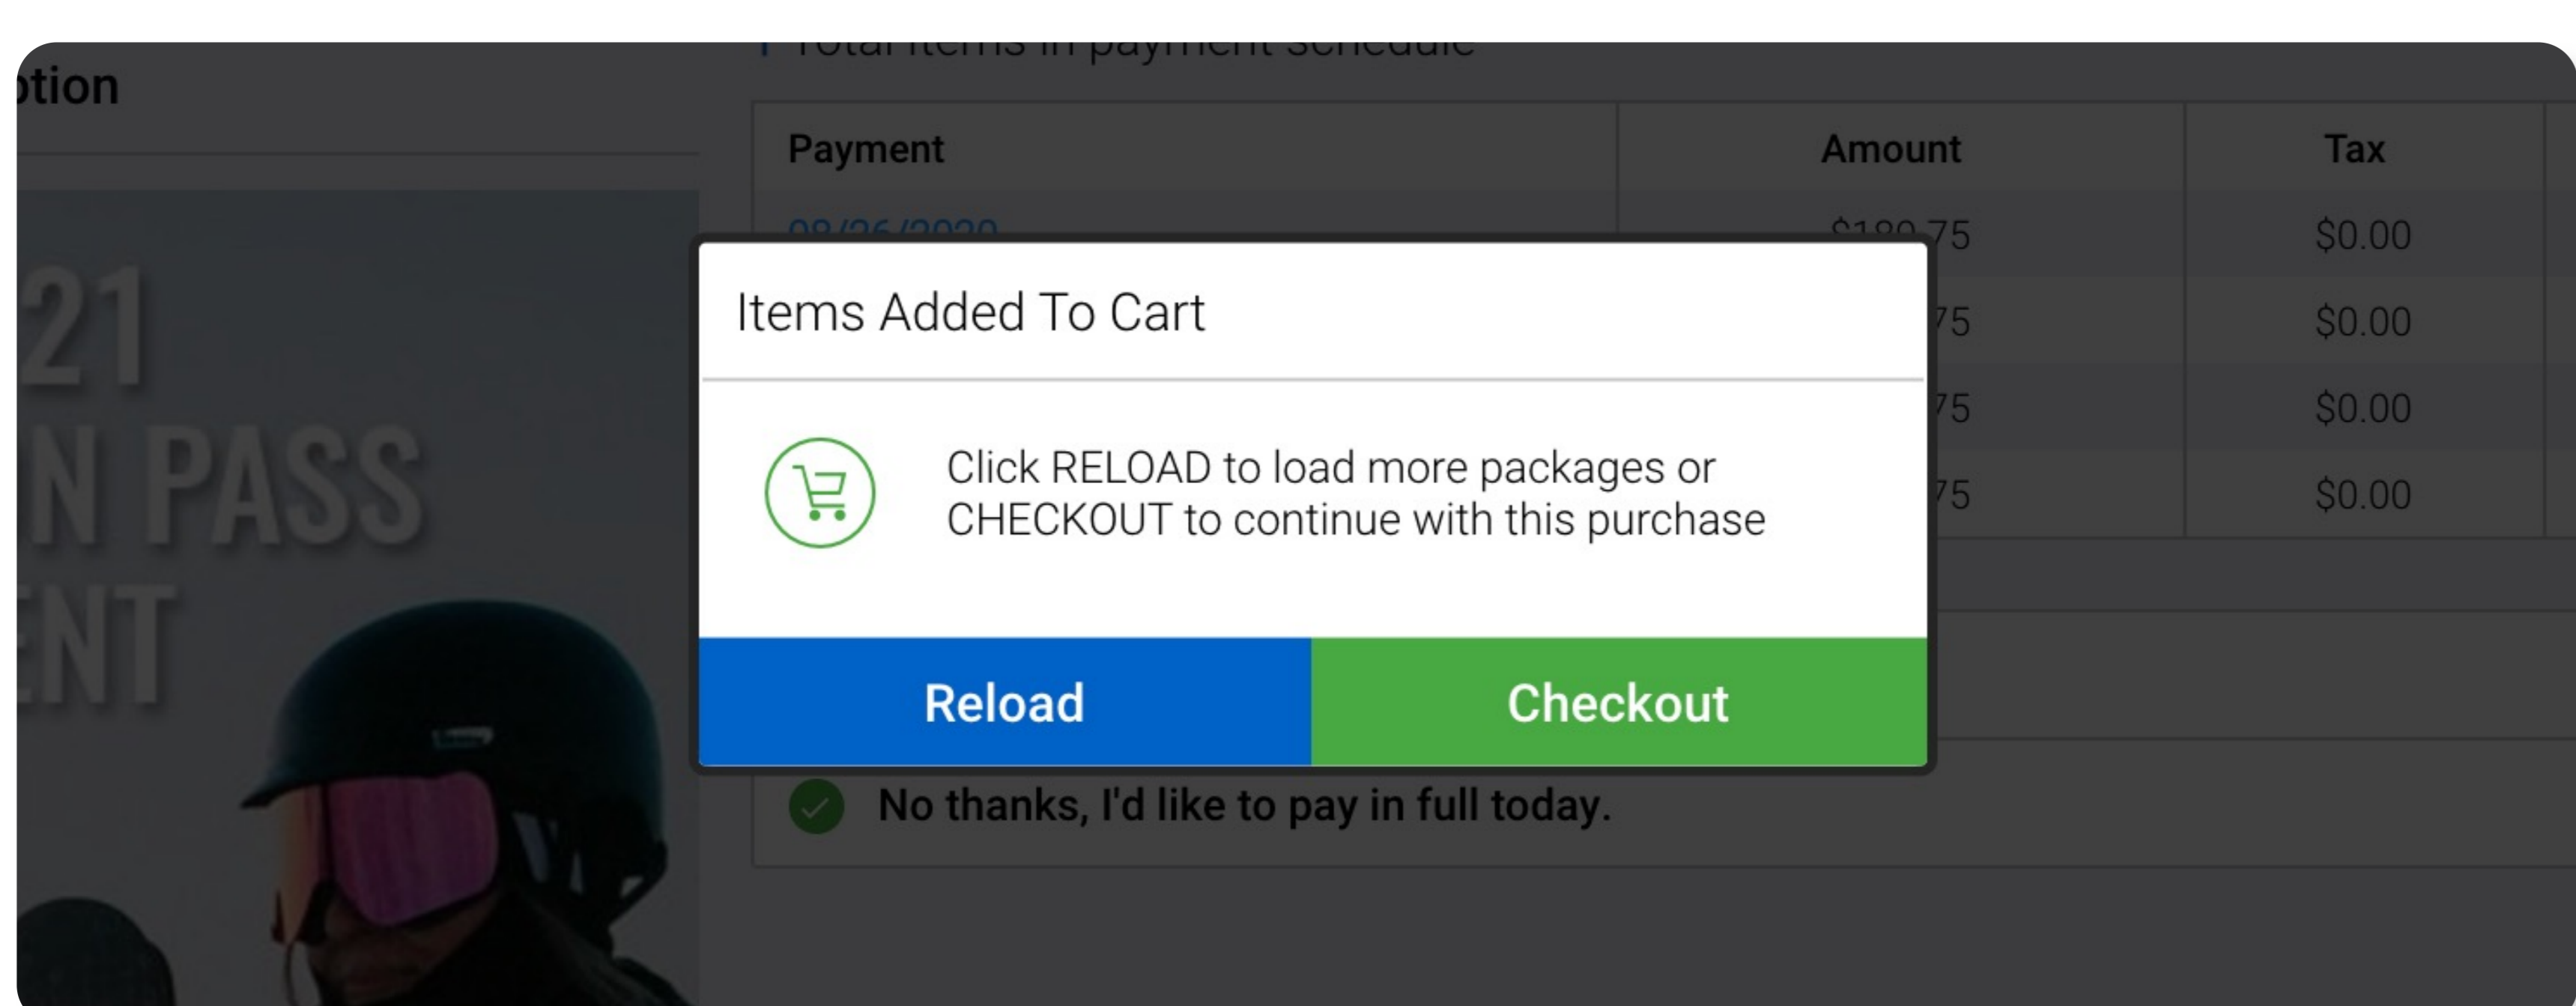

4 Select the appropriate age group for your pass (where applicable) and add a quantity of 1, then select **Next**.

5 Sign in with your email address and password to update your profile. **Follow the bolded instructions if it's your first time!**

6 Select whether you'd like to use the Payment Plan Option or pay in full for your pass, then select **Continue**.

7 Choose whether you'd like to **Reload** another card (in case you're reloading for family members) or **Checkout**.

Mountains Plus Perks

Stop by any ticket window or guest services on your first visit to Gore to have your 2020/21 Mountains Plus sticker applied to your SKI3 Card.

I RELOADED MY SKI3 CARD. WHAT'S NEXT?

After you reload your SKI3 Card with your 2020/21 Season Pass, you'll receive a confirmation email as a receipt of your purchase. You should also receive an email within 24 hours of your purchase with a link to electronically sign the 2020/21 Season Pass Terms & Conditions. Your Season Pass is not valid and will not open the gates until you electronically sign this document.
