Gore Mountain's Harvest Fest is This Weekend: New Attractions, More Vendors, Family Fall Fun

North Creek, NY- Gore Mountain's largest-ever [Harvest Fest](#) on Saturday-Sunday, October 12-13 will display a massive array of premier Adirondack artisans, peak scenic foliage views, autumn-themed food and drink, and a wide variety of recreational activities. There is live music and free admission for all.

Gore's multiple peaks of terrain are presently illuminated with a colorful autumn showcase, providing prime leaf-peeping opportunities for Harvest Fest. New this year, festival goers can choose between rides aboard the open-air Adirondack Express or the enclosed Northwoods Gondola. A short hike between the lifts offers a combination opportunity to experience both rides on the same ticket. Live music throughout the weekend includes Mitch Frasier and the Rob Beaulieu Band on Saturday, and Rich Ortiz and Rasinhead on Sunday. Children will enjoy entertainers such as Penelope the Clown, The Wicked Witch of the West, and the Magic of Omer Black. Harvest Fest also features an inflatable playground and zorbing from Bounce Around Entertainment, live birds of prey, kangaroos, a parakeet aviary, pony rides & petting zoo, rock climbing, bungee trampolining, zipline rides, arts & crafts, field games, and a fall-themed egg hunt.

Harvest Fest presents an amazing Adirondack slopeside shopping village of over 115 talented artists. Browse handcrafted items such as furniture made of locally reclaimed wood, NY-made wines and

spirits, upcycled book origami, original paintings and photography, all-natural bath & beauty essentials, primitives & Adirondack decor, hand-painted fabrics, knit scarves & accessories, unique handmade jewelry, ceramics and pottery, specialty food items, and so much more!

Guests can look for a hearty, fall-inspired menu including pork ribs, brisket, and bratwurst from Gore Mountain's smoker, apple pie, maple cotton candy, fried Oreo cookies, butternut squash soup, and much more. An extensive beer and wine selection spotlights fall seasonal brews and local craft beverages.

Skiers and riders can cash in on an exclusive festival-only lift ticket deal called the Gore x4 Pack. This special offers four non-holiday tickets valid Sunday-Friday at Gore during the upcoming winter for just \$199.

Visit the Gore booth inside the Base Lodge to learn about [recent improvements](#) including new RFID ticketing and direct-to-lift gates, a new competition-level freestyle course, the updated logo, and a warming cabin at the summit of Burnt Ridge Mountain.

For more information about all of Gore Mountain's events, visit www.GoreMountain.com or call (518) 251-2411.
