WEB LISTING OPTIONS

Every level receives a web listing on GoreMountain.com. Your listing will appear within the Lodging page, under the Plan Your Visit menu. Gold Level listings appear at the top of the page, followed by Silver Level listings, with bronze level listing at the bottom. All listings amongst each level are displayed in random order each time the page is opened in a new browser.

Gold & Silver listings feature one main image, your location, and a link to your own page on our website with a description of up to 250 words and a list of your amenities. Gold Level listings also feature up to 4 additional images in a gallery at the bottom of your page.

Guests can find you based on your lodging property type, amenities, and/or distance from the mountain!

The content submitted with your Lodging Partnership agreement will be published on the Gore Mountain website. Should your operational details change, simply submit your new copy and/or images to us, and your listing will be updated. Please send us copy and image updates frequently; it helps search engine positioning and keeps people informed about your new offerings.
