GROUP LIFT TICKETS

SUMMER / FALL 2023

Plan a group adventure to Gore Mountain for scenic skyrides and recreational activities this summer or fall. We offer lift-serviced hiking and downhill mountain biking on a 10+ mile trail network spanning our beautiful mountain peaks.

Regardless of you or your group's experience level, there is a little something for everyone to be found at Gore. Your group can choose from easier, intermediate, and expert hiking excursions.

To qualify for discounted group ticket rates during operational hours*, a reservation must be made for a minimum of 20 same-day tickets, and all tickets must be picked up from the Guest Services desk.

Below you will find group ticket sales guidelines and requirements, as well as an overview of our health and safety protocols. We look forward to providing a fun, fresh air adventure for you and your guests to enjoy!

FAQ

LIFT TICKETS

How do I get my group discounted lift tickets for the Summer / Fall season?

To qualify for group rates, all reservations must be made for a minimum of 20 same-day guests.

What days will my group have access to discounted lift tickets this summer and fall?

Group rates are applicable based on availability 10am- 4pm, Thursday-Sunday, June 29th- September 8th and Saturday & Sunday September 9th - October 8th. Please note hours and dates of operation are subject to change.

Can my group visit the mountain outside those dates?

Absolutely! Private facility rentals are available outside of standard operational hours. Ask your sales representative for more information on availability and how you can host an exclusive Gore Mountain adventure.

Can I get a free lift ticket?

Yes! A group that exceeds the required minimum of 20 same-day guests will receive a complimentary lift ticket for the group leader, or planner, valid for the date(s) of the group reservation.

Can I save my free ticket for later?

No. The complimentary lift ticket is only valid for the date(s) of the group reservation.

How long do the skyrides take?

Skyrides are approximately 20 minutes round trip.

Do I need to make a payment in advance?

Yes, your order must be completed and paid for in full at least 24 hours prior to arrival.

What happens if I have a last-minute cancellation the day of arrival?

The value of your unused tickets can be exchanged for a Snow Guarantee Card. This credit is valid for one year toward future ticket and activity purchases. Tickets cannot be exchanged for a Snow Guarantee Card after they have expired. Arrangements must be made prior to the group's departure from the mountain.

FAQ

GROUP LEADER PLANNING

What time can my group arrive at the mountain?

We open at 10am. Group arrival times must be coordinated and confirmed with your sales representative in advance of your visit.

Will there be parking for buses?

School and camp bus arrivals and drop offs must be approved on an individual basis for the 2023 summer/fall season. Please work with your sales representative prior to your visit.

Where do I pick up my lift ticket order?

Ticket pickup time and location must be coordinated with your sales representative. We'll make it easy- we can meet you outside if that works best!

Can my group members pick up their tickets individually?

No, group leaders must coordinate a single ticket pickup with their sales representative and are responsible for further distribution of lift tickets.

Are food vouchers available for groups?

Yes, food vouchers will be available in your chosen denomination, and must be coordinated in advance. These vouchers allow your group to disperse into smaller pods to avoid overcrowded meal times.

Are there other food & beverage options available to my group?

Yes! A boxed lunch option can be arranged so your group may enjoy a bite to eat on the go.

Any other important day-of information I should know?

Yes, we encourage guests to come dressed and ready for the occasion. This includes but is not limited to bringing items such as sunblock, proper footwear (closed-toe shoes are highly recommended), moisture-wicking clothing, a day pack and plenty of fresh water. Also, don't forget any important medications you may need.

Ticks are prevalent across the Adirondacks. It's important to check your skin and clothing after spending any time outdoors. Insect repellent and clothing such as long sleeves and long pants can help in preventing tick bites.
